- A. Mr. Cole Alverson, County Administrator, presented information in reference to an Uncodified Ordinance to grant a **Utility Easement to Duke Energy Carolinas, LLC**, to provide electrical service to the improvements constructed or to be constructed on the property identified as parcel numbers 7-12-17-001.00, 7-12-10-002.01, 7-12-10-002.00, 7-12-10-006.00 and 7-12-10-003.01. The County is in the process of building a parking deck for the new Courthouse. This Utility Easement is necessitated by this project. We are having to relocate overhead utility lines and do a lot of site work. This is the first of the easements that will come before Council. This will let us get power to the site as designed by our architects and specifically by our engineers. It is necessary to facilitate continued construction of the parking deck. Motion made by Mr. Lynch to render first reading to the Ordinance. Motion seconded by Mr. Mabry and carried.
- B. **Capital Penny Phase I Update** was carried over to the Main Meeting.
- C. Information received regarding activities of the Public Works Department.

Meeting adjourned.
