### Chapter 6: Temporary Signs

In keeping with Chapter 1 Intent and Purpose, temporary signs that are in compliance with the requirements of Section 2.2.10 Access Management, Chapter 2 General Provisions Section 9.5.00, Conflict with Other Laws, and all other applicable requirements of this Ordinance, shall be allowed.

#### 7.6.20 Pennants

Any lightweight plastic, fabric, or other material, regardless of shape, whether or not containing a message of any kind, suspended from rope, wire, or string, usually in series, designed to move with the wind. Pennants shall be limited to two strands for every 100 feet of road frontage or portion thereof. A strand is defined as being between two attachment points. Pennants and/or attachment points shall be set back a minimum of 10 feet from the road rights-of-way. Pennants are allowed only in conjunction with the permitting of Portable or Moveable signs.

#### 7.6.40 Portable or Moveable Signs

Portable or moveable signs shall be permitted up to two separate times per year for a period not to exceed 30 consecutive days per occurrence. Portable signs must be located at least 20 feet from any adjoining business signs or small advertising signs. Pennants are allowed only in conjunction with a permit under this section and in accordance with Section 7.6.20 above.
