Postponement of Jury Service

Under S.C. State law, qualified citizens are required to perform jury service when summoned by the court. We know that jury service is inconvenient and somewhat of a hardship to everyone. However, if the week for which you have been summoned is a particularly bad week, then you might qualify for a one-time transfer to another week during the calendar year.

You may be transferred to almost any week during the current calendar year, but please keep in mind that some circumstances prevent the judge from transferring anyone. You will be notified by the Clerk of Court if your request is granted along with the new date for appearance.

If you would like to request a transfer to another term of court, please complete the Postponement Request Form and follow instructions on the form to submit by email to kshaw@spartanburgcounty.org or print and fax to 864-596-2259. A letter of confirmation will be mailed to you. If your transfer is granted you will receive a new summons 30 days before your new date, which you will need to complete and mail in the self-address envelope.

Where to Park and Report

When reporting for jury duty, you **must** park at the **Magnolia Street Parking Garage at the corner of Magnolia Street and St. John Street, on the top level**. Parking at the courthouse is limited to 2 hours and violation tickets are issued so please park in the parking garage. Bring your parking stubs from the garage in with you and we will give you a validated parking pass for the garage so that you will not have to pay a fee.

You need to enter the courthouse at the Magnolia Street entrance. Upon arriving at the courthouse you will pass through security. This process takes a few minutes so please allow time when arriving. You will need to report to the Jury Assembly Room which is on the same floor as the Magnolia Street entrance. You will see a bailiff and they are there to assist you in getting to the correct location.

Failure to Appear for Jury Duty

If you receive a summons for jury duty from the Clerk of Court for Spartanburg County, then you should promptly complete and return any forms included with your summons packet.

According to the S.C. State Laws, if an individual is summoned to attend jury duty, in any court, and fails to appear on the scheduled date without sufficient excuse, that person may be required to pay a fine or

other penalties imposed by the judge. In addition, the judge may require the Sheriff's Office to come to your home or place of business to escort you to the Courthouse.

Please, do not ignore or forget about a summons to jury service.
